A SAGA OF EXCELLENCE

The Dev Samaj (a unique religious movement) was founded in 1887 by the Most Worshipful Bhagwan Dev Atma. The fundamental objective of Dev Samaj is to make us more and more capable of promoting the cause of unique life mission of Bhagwan Dev Atma. i.e. propagation of Truth, Beauty and Goodness in thought; speech and action among all classes of people, irrespective of any consideration of caste, creed, colour and culture. The Dev Samaj endeavours to eradicate from the hearts of the people, as far as possible, such egoistic forces as vanity, hatred, self-will and selfishness and to evolve such altruistic feelings as compassion, gratitude, reverence etc. The Highest Evolution of mankind is the summum bonum of the Dev Dharma. Dev Samaj believes in the Science of moral and spiritual laws of soul. It employs the scientific method and accepts the scientific pattern of thought that Nature is self-sufficient in its working, and therefore we are not to go 'OUT OF NATURE' to understand any happening within it. The founder of Dev Samaj, Bhagwan Dev Atma ji exhorts us to cultivate harmonious relationship with the four kingdoms, the Kingdom of the Inanimate, the Kingdom of Vegetation, the Kingdom of Animals and the Kingdom of Human Beings; through feelings of respect, appreciation and gratitude for the services rendered by all these four kingdoms. Under the strong Psychic influence of its Most Worshipful Founder, Dev Samaj took positive steps to build a social structure where women could enjoy respectable position, free from the gender bias. Dev Samaj organisation gives equal rights and status to women with men while adopting many social reforms in this regard like; recognition of girl child, monogamy, widow-remarriage, dowryless marriages etc. The Dev

Samaj considers women education essential for their social, moral and spiritual upliftment. The Illustrious Founder set a golden example in his childhood when feeling strongly that education was a good for girls as for boys, he started teaching his two women relatives in the sixties of 19th century. At that time women education was considered a superstitious breed involving the divine wrath.

The venerable Founder of Dev Samaj realised that future of women lay in education. Education alone could open opportunity of enlightenment and independence for women. He wanted to regenerate mankind and transform society through women education. Bhagwan Dev Atma was the pioneer reformer who opened a High School for Girls at Ferozepur in 1901. The Dev Samaj Managing Council continued the educational work and at present the Dev Samaj Society is running about 22 educational institutions in the country. Prominent among them are located at Ferozepur, Moga, Ambala, Delhi and Chandigarh. These educational institutions hold a significant place on the educational map of Northern India. It is a matter of immense pride that the college has completed 38 years of its meritorious service to the country in general and to the Union Territory of Chandigarh in particular, in the field of women teacher education. We are extremely grateful to the Dev Samaj Managing Council and the Managing Committee for its generosity, valuable guidance and inspiration in discharging our responsibilities despite heavy odds and difficulties. It is hoped that with an inbuilt momentum, our institutions will continue to march onward to a better tomorrow in the service of the Nation.

ANNUAL REPORT 2020-2021

DISTINGUISHED FEATURES OF THE INSTITUTION

The college is known for the exemplary features such as

WALL OF KINDNESS

A Symbol of Charity and Concerns for the Needy. The most unique features of our college is that we are having "Wall of Kindness" where people donate articles, clothes etc. and the needy pick them up without any humiliation. The citizens are also depositing books, toys and footwear apart from clothes. The official motto is "Take what you need. Leave what you don't".

HERBAL GARDEN

Herbal garden was established in the college in 2009 with the motive to encourage future teachers to promote sustainable practices for use and Conservation of Medicinal Plants and learn the benefits from medicinal plants in our day-to-day life for better health and immunity and also influence parents, friends and kinship for their use in cooking etc.

HONESTY CORNER

An Endeavor of the Honesty to ignite the Spark of Integrity and fills the objectives: To Stand up for what you believe is Right, Live by your Highest Values and Being honest with others and yourself. It is another noble initiative where students pick up the required stationery articles and honestly put the money in the money box themselves without any external monitoring.

SCHOOL ON THE MOVE

To serve the needs of underprivileged children in rural areas "School On The Move" is first of its kind, which is built in a bus that is equipped fully just like a classroom with attractive and colourful teaching aids and a blackboard. The student teachers of the college go to teach the underprivileged children as well as women of the village. They are provided with free books, transcription notebooks and stationery for practice. They are taught not only the three r's but also other life skills like Henna applying, paper bag making, candle making, rangoli etc.

HOUSE EXAMINATION WITHOUT INVIGILATOR

College is conducting house examination without invigilation. Students perform honestly in the exams without any cheating.

E-WASTE BIN

E-Waste bin is provided to encourage the E-Responsibility for collecting the E-material for recycling purpose.

DONATIONS

The generous Dev Samaj Society identified with the plight of flood victims of Kerala and donated a sum of Rs. 10 lacs in Kerala Relief fund on 29.9.2018. The society has also donated a sum of Rs. 4 lacs in the Jammu and Kashmir Relief Fund. The college provides financial help for the poor and needy students. The supporting staff also helped financially and provided free uniforms and leave in case of emergency.

WILDLIFE WEEK CELEBRATION (01-10-2020 to 07-10-2020)

The NSS units and Environment club of the college organized "Wildlife Week" from 1st October, 2020 to 7th October, 2020. Wildlife Week was conceptualized in 1952 with the overall goal of raising awareness to serve the long-term goal of safeguarding the lives of wildlife through critical action. The theme of World Wildlife Day 2020, "Sustaining all life on Earth", encompasses all wild animal and plant species as a component of biodiversity, as well as the livelihoods of people, especially those who live closest to nature. In recent decades, human encroachment has posed a threat to India's wildlife. In 1972, India enacted the Wildlife Protection Act and Project Tiger to safeguard crucial habitat; further federal protections were promulgated in the 1980s. The objective of celebrating Wildlife Week is to focus everyone's attention towards the importance of conservation of the wildlife and to discuss the issues related to the preservation of the wildlife.

Various activities like Quiz competition, PPT making and video making were organized for celebrating National Wildlife Week by the students. The students have shown great zeal and enthusiasm by participating in different activities and pledged to save the rich flora and fauna of our country.

IETVE (MOOC 'DEVELOPING LOW COST EDUCATIONAL MATERIALIA

L') (12-10-2020 to 12-11-2020)

Dev Samaj College initiated MOOC on Educational Innovation for Development of Low Cost Educational Materials. This course was open to students/ learners with no prior art making experience, it also provided challenging alternatives for more advanced students—including the opportunity to design, create and execute their own art interventions in their teaching, The syllabus had been designed in lines of UNESCO's Asian Programme

of Educational Innovation for Development of Low Cost Educational Materials for both trained educators/facilitators and for beginners in mind.

Most often educators/facilitators have difficulty in delivering adequate learning material for the education outlet. And because use of this learning objectives are often not met. As a result there is poor realization of educational goal, and objectives go largely unmet. There are different factors behind this. These include low budget allocation for production and distribution, poor monitoring mechanism, and weak commitment toward the learning objectives on the part of educators/facilitators. It is a compounded problem. Even if there is intention the limitations are also there. With this aim course was conceived by Dr. Richa Sharma, Associate Professor, Dev Samaj College of Education.

GOODBYE STRESS AND WELCOME JOY: LEADING FROM WITHIN (1

6-10-2020)

Online workshop on "Goodbye Stress and Welcome Joy: Leading from Within" was organised by the college. Dr. (Mrs) Agnese Dhillon, Principal of

the college was the Chief Patron of the event. Sh. Santosh Sharma, Senior Faculty, Art of Living was the esteemed resource person. The webinar began with the welcome address by Dr. Anuradha Agnihotri, Assistant Professor and the organizers of the event who welcomed Shriman Nirmal Singh Dhillon, Chairman, Dev Samaj College of Education, Secretary, Dev Samaj, Principal, faculty members and

students. The welcome address was followed by a speech from Chairman sir who also welcomed the resource person and gave his blessings to all the participants. After his speech, the music department of the college recited the college prayer 'Mubarak Hai Janam Unka.' The resource person Sh. Santosh Sharma is an Engineer turned Life Skill Trainer and an International Faculty of 'Soft Skill Upgrade and Happiness Quotient'. He has empowered thousands of students through Meditation and yoga for the past 11 years. Sh. Santosh Sharma addressed the teachers and students of the college. He highlighted the data of World Health Organization which states that during the pandemic time, the stress level of individual has increased up to 45 percent, which is an alarming number. He focused on the importance of channelizing our energy into the positive direction. He stressed that there are four sources of energy in our life which are food, sleep, breathing and meditative state of mind. We always focus on the first two sources and neglect the importance of breathing and meditation. He also carried out "Desktop Yoga" with the participants which involved exercise and meditation. To lead a peaceful and calming life, one must practise meditation under a trainer and also pay attention to the breathing.

PASHU JAGAT CELEBRATIONS (19-10-2020)

The festival 'Pashu Jagat' dedicated to Dev Samaj philosophy of cherishing and treasuring each life of both animate and inanimate in nature was celebrated in the college. Dr. (Mrs) Agnese Dhillon, Principal of the college was the Chief Patron of the event. Sh. Manoj Madan, Principal, Dev Samaj Modern School, Sukhdev Vihar, OKHLE, New Delhi, member, Dev Samaj Managing Council, was the esteemed resource person. The festival began with the welcome address by Dr. Anuradha Agnihotri who welcomed Shriman Nirmal Singh Dhillon, Chairman, Dev Samaj College of Education, Secretary, Dev Samaj, Principal, faculty members and students. The welcome address was followed by a speech from Chairman Sir who also welcomed the resource person and gave his blessings. After the address the music department of the college sang the song 'Pashu Jagat Se Hum Hain Aye' which highlights the amalgamation and interdependence of both the human and animal kingdom.

Sh. Manoj Madan through his delicacy of expression pinpointed the urgency of the situation where animals are snatched away from their right to survive and how they are being exploited to satisfy the human greed.

Utilitarianism governs the mind-set when it comes to the worth of an animal's life. The vibrant and wholesome world of animals needs to be preserved. He accentuated on the point that it is the responsibility of each one of us to celebrate each life irrespective of its size and stature. Insightful anecdotes were shared among the students to reflect the beauty and wisdom of the animals. Students were made aware of the emotional aspect of the animal kind. Animals are highly empathetic and they have been the true companion of the human in this vast world of existence. Sh. Manoj Madan further manifested the idea of superficial food habits of eating another animal just for the satisfaction of the taste buds. He emphasized on the importance of animal rights and the provisions which must be introduced to safeguard them. He urged the students to realize and accept the significance of the other half which is the animal kingdom. The whole event left an impact and permeated the ideology of acceptance and respect for all the beings around us.

The harmonious outlook towards the animals was kindled into the minds of the students. It infused in the insight of the world being a system of whole, where each entity has its due importance assigned. Dr. (Mrs.) Agnese Dhillon, Principal of the college, shared her insights on the importance of integrated living by celebrating the festival of 'Pashu Jagat'. She adjured the students to lead a life of empathy and compassion. The principal thanked the eminent resource person for sparing his valuable time in sharing the philosophy of Dev Samaj and congratulated Dr. Anuradha Agnihotri, Assistant Professor and Ms. Shivani Sharma, Assistant Professor, the organizers for the success of the event.

INTERACTIVE TALK ON "SYMPTOMS AND SIGNS OF HIV INFECTION" (28-10-2020)

Red Ribbon Club in collaboration with NSS units of the college organized an Interactive Talk on "Symptoms and Signs of HIV Infection." The objective of the event was to spread the spirit of "Youth Engagement for Global Action" regarding HIV/AIDS and its awareness. Mr. Sunil Kumar Panghal, Assistant Director (Youth Affairs) & Incharge Blood Safety Programme, Chandigarh State AIDS Control Society was the esteemed resource person. The webinar began with

the welcoming of the Resource Person, Principal, Faculty Members and the students. Then, the resource person began with his session in which he highlighted the signs and symptoms of HIV infection through PowerPoint presentation. First, he gave an overview about HIV/AIDS in which he discussed that "acquired immunodeficiency syndrome (AIDS) is a chronic, potentially life-threatening condition caused by the human immunodeficiency virus (HIV). By damaging your immune system, HIV interferes with your body's ability to fight infection and disease. HIV is a sexually transmitted infection (STI). It can also be spread by contact with infected blood or from mother to child during pregnancy, childbirth or breast-feeding. Without medication, it may take years before HIV weakens your immune system to the point that you have AIDS. There's no cure for HIV/AIDS, but medications can dramatically slow the progression of the disease. These drugs have reduced AIDS deaths in many developed nations." Next, he discussed several ways through which HIV spreads like infected blood, semen or vaginal secretions must enter your body. It can also spread by having sex, by sharing contaminated IV drug paraphernalia (needles and syringes) which puts you at high risk of HIV and other infectious diseases, such as hepatitis, and from blood transfusions and during pregnancy or delivery or through breast-feeding. The session concluded with the queries of participants which the resource person answered effectively. A pre-test and post-test were also conducted before and after the webinar to assess the knowledge and attitude of the students regarding HIV/AIDS.

Lecture on Menstruation Hygiene Management (MHM) was also organized on day 2 to give awareness on hygiene during menstruation. A video was also shown based on the current situation of the northeastern part of the country. Menstruation is known as 'Chaupadi' in Nepal. Girls die because of negligence and ill practice of restrictions.

Workshop on Block printing

On Day 2, a Workshop was conducted on Block printing By Mrs Harjeet Kaur. Block Printing is a technique for printing text, images or patterns used widely throughout East Asia and originating in China in antiquity as a method of printing on textiles. This technique is one of the simplest ways to create custom fabric at home. Mrs Harjeet gave a practical demo of block printing on textile. She used wooden blocks and printed them on white cloth. NSS Volunteers used their hands-on printing.

DAY-3

(6.2.21)

The day started with a yoga session which was followed by the workshop on Mental Strategies for developing smart skills. The workshop was conducted by Dr Rohit Bhandari, who emphasized upon the idea of using smart skills to have an upper angle over others or to lead towards success. Dr Bhandari said that the idea derived from the Sanskrit school. These are the skills to manage social and emotional intelligence. He further said that skills are always the same but their implementation is different. He grasped the audience's attention throughout the session with some very interesting games such as identifying the sounds in complete silence with eyes closed, playing with numbers and more such games.

After the workshop a Lecture on Menstruation Hygiene Management By Ms Narmata, Ms Tanya and Ms Yuktast started with real-time experiences and volunteers were asked to discuss the myths for menstruation. A short video on Kamehameha was played to encourage the volunteers not to believe in myths. Further PCOD & PCOS were discussed in detail in the same session.

At the end of Day 3, a visit to Chandigarh Rehab Center, sector-28 was made by NSS volunteers and NSS program officers of the college, they donated a certain amount, as a contribution to the rehab centre, owned by Mrs Nicky Pawan Kaur, who has selflessly devoted her time, love and effort to the helpless. This visit reframed the Outlook of

student towards life. It was such an emotional and motivational experience for everyone. It ignited a sense of gratitude and thankfulness in NSS volunteers.

DAY-4

(7.2.21)

Mata Pita Santaan Divas was celebrated in the Dev Samaj traditions hosted by our honourable principal mam Dr. (Mrs.) Agnese Dhillon, who rated a Sabha, which is a Dev Samaj Ritual and enlighten the audience with her words of wisdom, emphasizing the idea of strengthening the parent-child relationship which is facing a deterioration these days. The session started with bhajan followed by Dr. (Mrs.) Agnese Dhillon's words on the importance of parents and their unconditional love. "Chicken Soup for the Soul" is a book recommended by Madam principal. Gratitude in relationships is the most important thing required these days. She further explained about SWAD (taste) anurag by sharing real-time experiences. The occasion concluded with a garland ceremony with children and their parents capturing an emotional moment.

An Interactive talk on Stressbursting techniques was also organised in Day 4 of the camp.

The session started discussing the reasons for stress sharing real-time experiences of volunteers. Further sharing techniques for bursting the stress were also discussed at length that included Listen to music, Connect with people, Have some me-time, Spiritual triathlon, etc. The session was concluded with a melodious song by Dr. Jasbir Singh, which was enjoyed by all the NSS students and added much more melody to the session.

On the same day, National energy conservation day was also celebrated in the NSS base camp at village Kajheri, where local poor children and their parents were invited to spread awareness regarding energy and fuel conservation by Mr. Amit and Mr. Rajni. Gifts were also distributed to those kids. Further, 'Pledge Taking Ceremony and Declaration Contest' was also organized there on the theme- 'Green and Clean energy' in which many of the students participated.

At the end of the day a rally on the theme-

'girl child' was organized in village Kajheri to aware the local people regarding the importance of all genders in society. A survey was also conducted by the NSS volunteers in village Kajheri for the girls residing there, regarding menstrual health and other related concerns.

DAY-5

(8.2.21)

WEBINAR SERIES 2 ON IMPLEMENTING SIGN LANGUAGE IN THE CLASSROOM (19-05-2021)

Internal Quality Assurance Cell, IQAC of DSCE, Sector-36 B, Chandigarh, organized Webinar Series 2 on "Implementing Sign Language in the Classroom" on 19-05-2021. Mrs. Kavita Sobti and Mrs. Vanita Pant, Vatika School, Sector-

19, Chandigarh were the esteemed resource persons. The webinar began with the welcome address by Dr. Anita Nangia, Associate Professor and the organizers of the event who welcomed Shri Mani Nirmal Singh Dhillon, Chairman, DevSamaj College of Education, Secretary, DevSamaj, Principal, faculty members and students. The purpose of the webinar was to introduce the practice of implementation of sign language as an integral part of our education system according to new educational practices. The goal of the webinar was to give teachers a basic understanding of auditory impairment and classroom strategies for teaching and learning

ininclusivesetting.

Mrs. Kavita Sobti through her delicacy of expression pinpointed the qualitative aspects of inclusive education. She then highlighted the use of sign language in today's classrooms. She also discussed about the diversity in your classrooms which have become full of diverse learners, including Special Education students with different language backgrounds in the multilingual country like India and students with other disorders such as ADD, ADHD and ODD. The purpose of her lecture was to help the teachers meet the goals of all students within inclusive setting and that the teachers must have a basic understanding of the unique learning needs of all students, including those with auditory impairments. The webinar ventured into the depth of education related issues. She also discussed the role of Assistive Technology such as Hearing Aids in inclusive education and how the children with disabilities have benefitted from it. Her lecture was followed by Mrs. Vanita Pant. She stated that research has shown that students learn best when the teachers who educate them first understand the needs. She also discussed that the inclusion of sign language should start at the very beginning of social interaction in schools. Schools are the one of the first platforms of social engagement for children. At a young age, children can learn sign language very quickly. This will help them speak "without" speaking, which might prove immensely beneficial for children who aren't very comfortable verbalising what they are going through. Likewise, learning sign language can teach kids to be empathetic and grasp certain emotions better. In the end they interacted with the students and answered their queries. The participants were issued certificates for their enthusiastic engagement. Dr. Seema Sareen, Assistant Professor gave the vote of thanks.

The Principal thanked the eminent resource person for devoting their auspicious time and delivering an informative session, congratulated the organizing secretary Dr. Rohit Bhandari, Assistant Professor and the convener and co-convener Dr. Anita Nangia and Dr. Seema Sareen on the success of the webinar.
