About the Course

Music has a positive impact on the mental as well as physical health of a person. Numerous researches until today has shown that Musical involvement improves a person's self-discipline, dexterity, coordination, self-esteem, thinking skills, creative abilities, personal expression and also has a positive impact on brain development. We empower and inspire our learners to develop through the power of lifelong learning.

As the COVID-19 pandemic outbreak has shaken up the lives of people around the world. It has affected psychological wellbeing too. Any active participation in music can help in reducing anxiety and coping with depression. Covid-19 has also challenged the education system and led to a significant disruption in all educational activities. In this uncertain environment, it's important that learning continues, even if it can't happen in person. The **MOOC on Fundamentals of Music** was an initiative of our college to provide an online platform to get involved in Music activities.

The course was designed for the learners who are passionate about music and want to learn more about it. The musicians who learned by ear and have no formal training. The course included various lessons that gave them the knowledge and skills they need to understand basic music theory as well as practical. This course was ideal for students looking to take their first steps into the world of Music.

Course Objectives

- (1) To introduce the basic technical terms of music to the people interested in Music.
- (2) To create a passion among music lovers to study Music.
- (3) To provide a strong foundation where learning is a process of constant discovery.
- (4) To build awareness of different genres of music
- (5) Acquainting the Students to the types of instruments

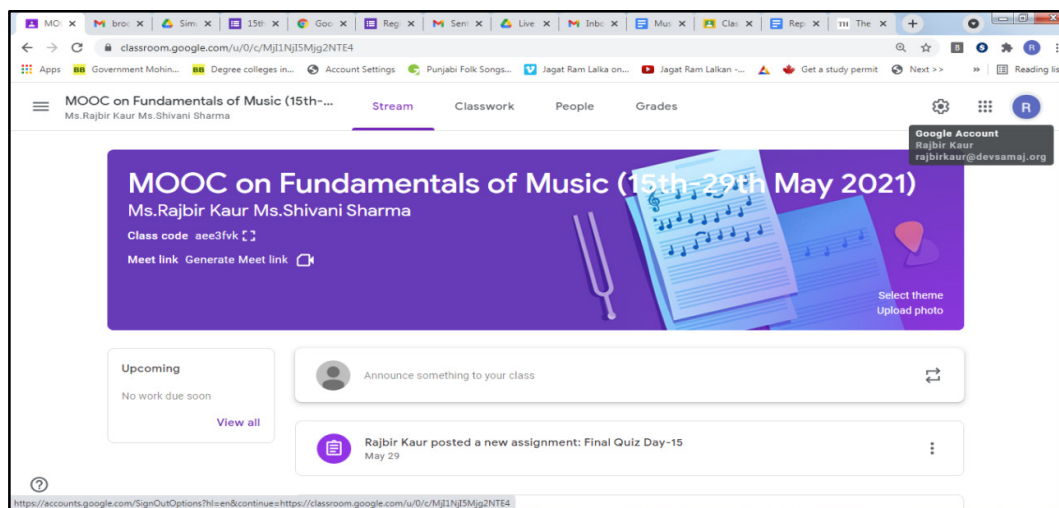

Course Learning outcomes (CLO)

After the completion of the course the participants were able to

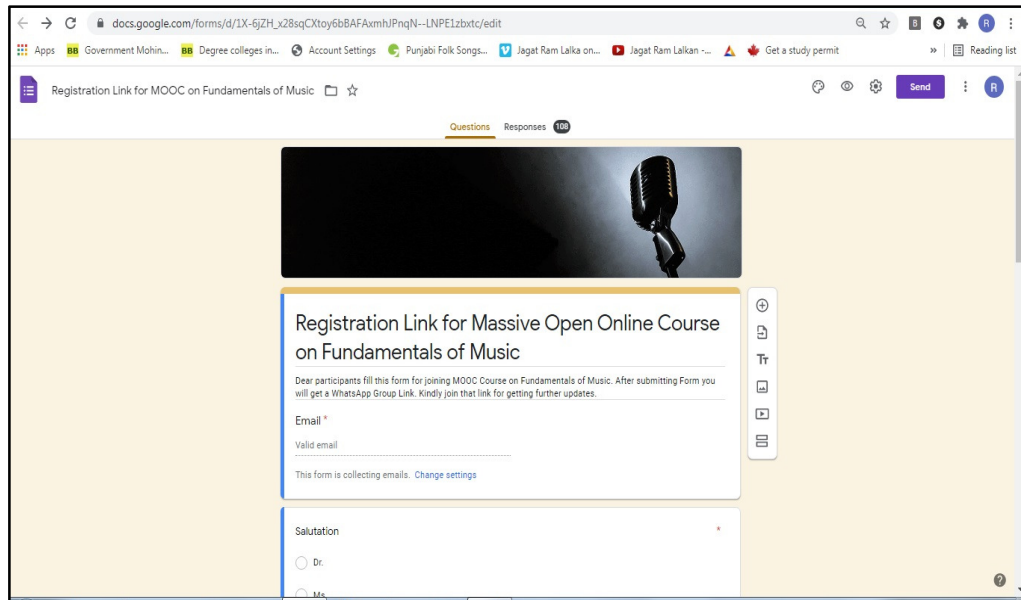

- 1) Understand the basic terminology of music. Various forms of music like Classical, light and folk music.
- 2) Musical sound i.e. Nada, its types and characteristics of Nada and science behind it's production.
- 3) Understand different types of Swars and its practical aspects. Sing shudh and komal swars in different SRGMs.
- 4) Play Swaras/notes/SRGMs on Harmonium.
- 5) Understand the techniques and do's & don'ts while playing harmonium.
- 6) Understand the meaning and importance of Saptaks in music.
- 7) Understand the concept of Laya and Tala, play different talas in different laya and Identify them in musical compositions.
- 8) Understand various types of musical instruments and be familiar with their nature and tones.

Detail of the Course

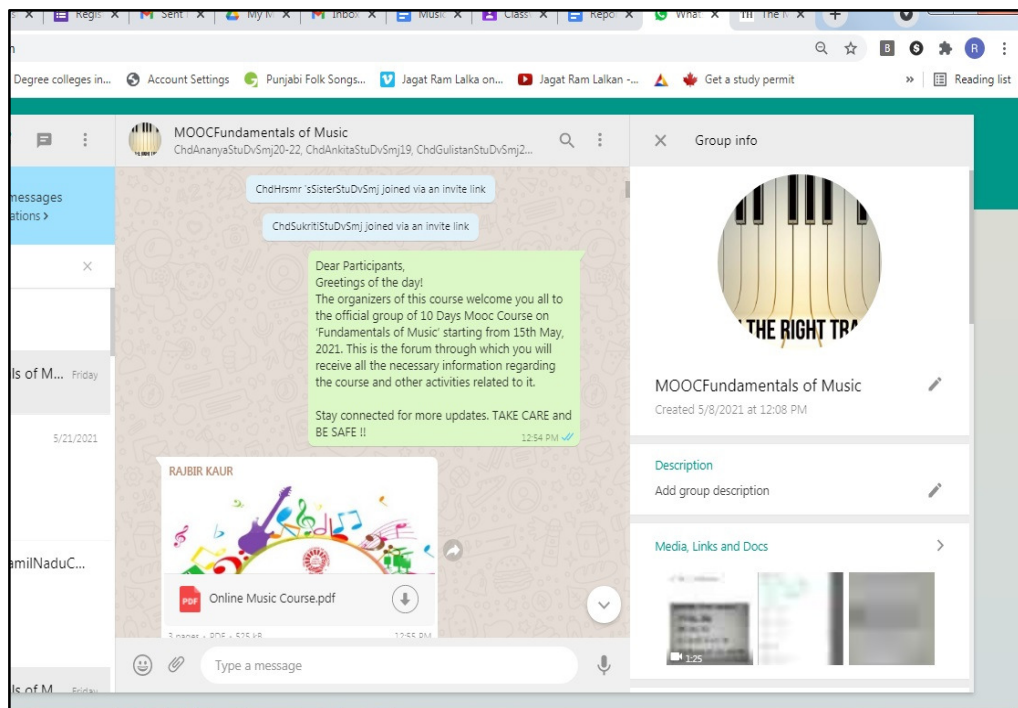

The course was organised by the Department of Music in collaboration with the IQAC of Dev Samaj College of Education, Sector 36-B, Chandigarh on **Google Classroom** (Link: <https://classroom.google.com/u/0/c/MjI1NjI5Mjg2NTE4>) as a Learning Management System.

The registration process was started by filling the **Registration Form** (Link: <https://forms.gle/bRBEniv7J92zfqgB9>) given on the brochure. Total 108 students from different areas of India and outside the country registered themselves in course and joined a **WhatsApp group** (Link: <https://chat.whatsapp.com/H1w054JJyHyEyi2o0Klhfu>) through which they received all necessary and relevant information about the course.

The screenshot shows a Google Forms page titled "Registration Link for MOOC on Fundamentals of Music". The form includes a header image of a microphone, a title "Registration Link for Massive Open Online Course on Fundamentals of Music", and a description: "Dear participants fill this form for joining MOOC Course on Fundamentals of Music. After submitting Form you will get a WhatsApp Group Link. Kindly join that link for getting further updates." The form has two visible fields: "Email *" with a "Valid email" error message and "Salutation" with radio button options for "Dr." and "Mr.".

The Overall course was delivered via both Synchronous as well as Asynchronous Modes. The resource person for the course was Ms. Rajbir Kaur, assistant professor in Pedagogy of Music, Dev Samaj College of Education, Chandigarh. Special resource person Dr. Jasbir Singh, professional artist and Sufi & Sitar teacher at pracheen kala Kendra was invited for two practical sessions/lecture cum workshop on different topics. The course was further divided into day wise modules. Day wise content followed by Quiz or assignments was provided to participants.

The fulfilling criterion for getting the certificate was to complete 60% of daily quizzes/assignments and 50% scores in the final quiz/test.

Overall Feedback regarding the course was also taken from the participants. All the participants gave positive feedback and showed their curiosity and interest in attending such types of courses again in the future.

5-29-2021 10:16:10	Mr.	Ajay Kumar	Assistant Professor	OIT University	Uttarakhand	Dehradun	initially I was not sure about understanding of music in my life. when i started learning the course topic-wise, i came to know that music is also a subject where instructors have important role to make us understand. Our favorite Rajbir Kaur ma'am did it with 100% result. I can now tell anyone that Music is a course which must be learnt by everyone once in a life.	Need practical session for keyboard as i want to learn it

5-29-2021 22:32:49	Ms.	Manjinder Kaur	Student	Preparing for UGC	Punjab	Rampura	I am very thankful to the organizers for organizing such an amazing music course. I never learned music but tried this time. It was a wonderful experience. I really appreciate the efforts of Rajbir Mam who, I feel, tried all the ways to clear the concepts. I liked her dedication which was so worthwhile for learners like me. Thank you.	A music course related to the introduction to punjabi folk music instruments.
5-29-2021 22:44:29	Mrs.	Harpreet Kaur	Student	Durham college , Ontario , Canada	Ontario	Oshawa	First and foremost, I am grateful to Ms Rajbir Kaur for stepping forward to assist us in this pandemic by organising a short-term course with a wealth of experience and knowledge. Although I am currently in Canada, the organisers continue to teach me every aspect of the course despite the fact that we are in two different time zones. Ms Rajbir Kaur devotes her full attention to this course so that everyone can benefit from it. Her teaching technique was excellent; she constantly cleared everyone's worries, and they even inspired me to get a Casio for myself. Overall, I learned a lot from this session.	Practical sessions with instruments
