The college aims to inculcate scientific temperament to eradicate superstitions and promotes value-based education and community service. The exemplary features of the college, Wall of Kindness and Honesty Corner contribute vigorously to create a distinct identity of this prestigious institution. The outcome of our special features and highlights is academically committed, progressive, innovative, proactive and responsive global teachers.

About the Seminar-cum workshop

According to UNESCO, inclusive education is seen as “a process of addressing and responding to the diversity of needs of all learners through increasing participation in learning, cultures and communities, and reducing exclusion from education and from within education.” The goal is that the whole education system will facilitate learning environments where teachers and

learners embrace and welcome the challenge and benefits of diversity. Within an inclusive education approach, learning environments are fostered where individual needs are met and every student has an opportunity to succeed.

The National Education Policy, 2020 has conveyed the structural change in the education system which aims to make India the global knowledge superpower ensuring equity and Inclusion. NEP aims to ensure equity and inclusion in and through education by addressing all forms of exclusion and marginalization, disparity, vulnerability and inequality in education access, participation, retention and completion and in learning outcomes.

Based on the deliberation and collaborations of the delegates through this seminar, we hope to create a common understanding of the important role that inclusive education can play in achieving quality education for all nationwide. The discussions will seek to clarify the problems and issues involved when a country decides to adopt an inclusive education approach. Conclusions and recommendations will be drawn regarding the introduction of equitable, effective and democratic educational policies of quality, at the heart of which will be values of inclusion.

Sub-Themes

An outline of the sub-themes for the various sessions of the seminar is as follows:

- Factors affecting inclusion of Socio-Economically Disadvantaged Groups (SEDGs) such as SC, ST, OBC, minority groups, disabled, orphans
- Education for Socio-Economically Disadvantaged Groups (SEDGs)

- Specific pedagogies for SEDG's
- Schemes and policies for upliftment of SEDG's
- Problems and Recommendations for inclusion of SEDG's
