

**Report of Activity Under Memorandum of Understanding between  
Dev Samaj College of Education Sector 36B Chandigarh and  
Organic Sharing Foundation, Chandigarh**

A memorandum of Understanding (MOU) was entered between Dev Samaj College of Education, Sector-36B, Chandigarh, affiliated to Panjab University Chandigarh on one part and Organic Sharing Foundation, Chandigarh on the other part:

Both the parties Dev Samaj College of Education, Chandigarh and Environment club made this memorandum of understanding with the following purpose and objectives:

**Objectives:**

1. To make collaborative efforts in the field of environmental awareness
2. To jointly organize events and awareness campaigns in the field  
Organic farming, vertical Gardening and composting
3. To jointly organize events and awareness campaigns saving old trees  
of city from termites
4. To encourage and empower young leaders towards promotion of  
positive attitude for the safeguards of environmental hazards through  
participatory efforts and collaborations
5. To promote student initiatives concerning environment
6. To create Sustainable Campus by organizing orientation programmes,  
workshops and creating a system of mentoring members through  
staggered engagement and collaborations.
7. To collaborate and organise activities related to environmental  
protection and conservation.

The Eco Club of the college established a Vermicompost in the college under the guidance of Mr. Rahul Mahajan the founder of Organic

Sharing. The main purpose of the vermicompost is to promote organic manures and aware the students about the benefits of organic manures
